Behaviour for Learning

Principles

Dixons Cottingley Academy is committed to ensuring that our students master the knowledge, understanding and skills to be academically successful. We believe that anyone who is successful (in the broadest sense of the word) must develop self-discipline and be given autonomy to make the right choices. We also want our students to understand their role in developing a common purpose across our Academy community and beyond. 'DCO Learning Habits' provide a framework to ensure our core values (Determination, Integrity and Trust) are embedded within our daily practice and routines. We fully believe that descriptive verbal praise can be very powerful in developing a happy and purposeful school environment.

Aims

- Have the highest expectations of student behaviour in order to maximise their opportunity to achieve.
- Ensure all students develop the good learning habits that they need to be successful in school and life.
- Realise and celebrate the potential of all students through promoting independence and self-discipline.
- Create an environment in which students are enabled to become mature, self-disciplined, industrious and able to accept responsibility for their own actions.
- Form an active partnership with families to encourage excellent behaviour and to establish improved patterns of behaviour where there are difficulties.

These aims are supported by regular and appropriate in-service training; close parental and community links; student organisation which takes account of ethnic and gender balance; the boosting of students' self-esteem through positive reinforcement and extra-curricular activities; and Academy social events aimed at pulling together the different life experiences of groups within the community.

Practice

Acknowledgements

We want students to be motivated by the intrinsic value of achievement; however, we are committed to acknowledging students for developing good learning habits.

Descriptive Verbal Praise

Around the Academy and in lessons, staff members use descriptive praise to signal to students that they are demonstrating good learning habits. Pastoral leaders and Heads of Year also ring home regularly; this is an opportunity to provide parents / carers with praise about their child. During appreciation assemblies, staff and students have the opportunity to thank and praise each other for exhibiting the Academy core values of Determination, Integrity and trust.

a) Student of the week

Each week, every member of the Academy staff nominates their 'student of the week'. Students may be nominated for hard work, strong progress or for displaying a real commitment to the

Academy or the local community. Student of the week nominations are announced in the following assembly, we also communicate this to parents.

b) Progress & Effort Certificates

At the end of each cycle, two students from each class receive a certificate: one awarded for most progress and the other for consistently high levels of effort. These certificates are presented to students during our appreciation assemblies.

c) Acknowledgement Event

3 times each year, students who have demonstrated excellent learning habits are acknowledged with an invitation to our event. The Principal, Vice Principal and HoY decide which students receive an invitation based on the number of corrections a student has received over the cycle and the student's attendance.

d) Annual reports

Our annual report to parents provides an opportunity for students to gain recognition for their effort and progress across all subject areas over the academic year.

DCO learning habits

All members of staff are expected to actively promote and model the Dixons Cottingley Academy (DCO) Learning Habits.

Learning Habit 1: Deadlines

Students who wish to be successful complete homework on time; completing work outside of lessons is very important to consolidate and master learning. It also helps students to develop their organisational skills and it shows that they are hard working. Deadlines have to be met with work that is done to the best of their ability. Students who fail to meet a deadline are issued with an Academy correction on the same day the deadline is missed.

Learning Habit 2: On-Task Behaviour

Students who wish to succeed are always on-task in every lesson and behave in a purposeful manner outside of lessons. Sometimes, it will be hard work for students to remain on task but we will remind them that they learn best when they are concentrating. It also means that other students can learn without disruption and allows the teacher to teach what s/he has planned. We expect all students to track the person who is talking to demonstrate that they are listening carefully. Students are expected to remain in silence during DEAR sessions and when transitioning to lessons. When in whole year group lectures, lessons or assemblies students are expected to remain in silence until they are invited to speak by the member of staff leading the lesson or assembly. Staff members will raise their hands to show that they want silence and it is expected that students respond immediately. Failure to be on-task in lessons or around the Academy will result in a correction on the same day as the off-task behaviour. Failure to be on-task on more than one occasion on any given day will result in an extension to the correction session. Continued disruption in one lesson may lead to students crossing the 'red line' resulting in isolation or exclusion.

Learning Habit 3: Punctuality & Attendance

Students who wish to succeed always attend and are on time. We are trusting that students will arrive at the Academy by 8.15am each day so that they are ready for the day's learning. Failure to be on time for registration or a lesson (DCO lessons begin at 8:25) will result in an Academy correction on the day the lateness occurs. Students who arrive late to school are expected to sign in at reception.

Students are expected to attend school every day of the Academy year. Anything less than 96% is not good enough and the Academy would expect this only to be the case for students with serious medical issues. If students are ill then parents/carers must contact the Academy on the morning of

each day of absence. Any planned absence should be requested using the Academy's leave of absence form and passed to the Vice Principal. Any holiday request during term time will be refused. We trust that parents will only request leave of absence in exceptional circumstances.

Learning Habit 4: No Answering Back

We know that students who wish to succeed do not answer back and trust that teachers' instructions are to help them be successful. We know it is important that students learn self-discipline. If an adult tells a student to do something, we expect it done straight away. We expect students to trust staff and never question an adult's decision anywhere in the Academy. If students fail to demonstrate this learning habit they may then cross the 'red line' resulting in isolation or exclusion. If a student feels unfairly treated they must still follow the instruction first time, every time. Later, in their own time, students may approach the adult to discuss the situation. Students are expected to ask politely and respectfully. If a student feels uncomfortable approaching the member of staff then they should speak to their Tutor, Pastoral leader, HoY or the Vice Principal in the first instance.

Learning Habit 5: Perfect Uniform

Students who wish to succeed wear perfect uniform. It is important that our students take pride in themselves and in our school. It is important that students contribute to our Academy's common routines. It is important all members of our Academy are treated fairly. If students breach any one part of our strict uniform code then they will either be given some temporary uniform to wear, sent home to change, or will be isolated until their uniform is perfect. We will do this to ensure that all our students take pride in their appearance and to make sure that our students are treated fairly. It is unfair if some students keep to our dress code and some don't. Further detail around specific uniform expectations can be found in the parent / carer contract.

Learning Habit 6: Equipment

Students who wish to succeed always bring the right equipment to the Academy, for the right lessons, each day. We wish to develop our students' organisational skills for success in future life. For any important role in life, we need the right equipment and students need to make sure they provide it. We will have stationary on sale in the library each morning so that students can solve issues around lost equipment before lessons begin.

Students are expected to bring the following to school in a clear pencil case:

- 1 black pen
- 1 green pen
- Black whiteboard pen
- Pencil
- Ruler
- Eraser
- Protractor
- Pair of Compasses
- Pencil sharpener
- Yellow Highlighter pen
- Scientific calculator – Casio FX83GTplus
- DEAR reading book
- PE Kit (on the days they have PE)
- Planner

- Knowledge navigator folder
- Locker Key, Planner and ID Badge
- A sensible and suitable bag (not a fashion accessory)

Students should store their equipment and books in their personal lockers. Therefore, they should not be carrying bags or wearing coats around the Academy. Before the start of any session (i.e. 8.15am, 10:40am and 1.20pm) students should return to their lockers to collect the necessary books and equipment they need for each lesson during that session. Illegal items, chewing gum, unhealthy snacks and jewellery (other than one plain watch) are not allowed in the Academy. If any of these items are brought into school, they will be confiscated and will only be returned to parents at the end of each Academy term. Mobile phones are not to be seen or heard in the Academy. We would strongly recommend students do not bring a mobile phone into the Academy. If parents want their child to bring a phone to school for safety reasons, they must be switched off and kept in lockers (we cannot accept any responsibility for lost or stolen possessions). If a member of staff sees a mobile phone it will be confiscated and will be kept until a parent / carer collects it at the end of the week.

If students fail to have the correct equipment, they will receive a correction on the same day that they failed to demonstrate this vital learning habit.

Red line

The concept of the 'red line' has been devised to signal to students that a member of staff has a serious concern about a student's behaviour and to give students an opportunity to self-regulate before an incident escalates into something more serious. A 'red line' may be given when:

- the student has not responded to being given a correction and their behaviour has not improved; in this situation students should be asked whether or not they are going to cross the 'red line'.
- The student has seriously challenged the dignity of a member of staff or another student at which point the teacher issues a 'red line'.

When the 'red line' has been crossed the 'on call' member of staff should be contacted to take the student out of the situation. The student will spend the rest of the day in isolation with a member of the Senior Leadership Group. Parents will be contacted. Students will not be allowed back into school until a parent has spoken to the Principal or Vice Principal. When back in school, students will spend one full day in isolation and there will be a restoration meeting with the member of staff who issues the 'red line'. Staff at Dixons Cottingley Academy will not hold grudges and students will be welcomed positively back into the learning environment following an isolation or exclusion.

Serious incident protocol

When a serious incident has occurred at the Academy, a full investigation will be undertaken. This will involve taking statements from students and staff where needed. Parents will always be informed when we are dealing with a serious incident. At times, we may need to isolate a student during an investigation. When we have completed our investigation parents will be asked to attend the Academy to discuss the incident and possible ways of resolving the situation.
