Re: Pedestrian access around Dixons Cottingley Academy

Dear Families,

Please be aware, public pedestrian and vehicle access around Dixons Cottingley Academy does not include access to the Nuffield site, see diagram below:

Please ensure you speak with your child(ren) and ensure that they do not enter the Nuffield site on their way to or from school. This is private land and we do not want our students to be in breach of this.

Please also be mindful that this is private property so cannot be used for cars collecting or dropping off students.

Email info@dixonsco.com for more information or if you have any questions.

Yours sincerely,
Mr T Lascelles
Senior Vice Principal
