

Year 11 final exams and study leave

Dear Families,

From Friday the 5th of June year 11 pupils will be granted study leave. This means that pupils are only expected to attend the academy if there is a revision booster for their subject and for the actual GCSE examination. If there is no GCSE or exam revision booster on that day pupils can revise from home.

For morning exams pupils must be in the academy for 8:10am for registers to be taken at 8:20am. For afternoon exams pupils must be in the academy for 13:00 for registers to be taken at 13:05. When a pupil has a morning exam and no exam booster or pm exam, they can leave site and revise from home once that exam has finished.

When attending academy pupils must be in full uniform and bring their full equipment to support with their exam revision boosters. Before the start of every exam there is an exam booster session delivered by a subject specialist so please ensure your child arrives promptly to support them in achieving the best GCSE outcomes.

On the final whole year group exam Monday 15th June, we kindly ask that if your child does not have a sibling lower down the school they leave their tie, blazer and any academy branded PE kit so we can give to another pupil who is in need.
