Dear families

Parents' Evenings

We are pleased to announce that Year 7 Parents' Evening will be taking place on **5 October from 4:30pm-7pm**. The event is an opportunity for you to meet with your child's form tutor and discuss their progress and development during the current academic year.

Year 7 is a crucial transition year, and we believe that open communication between parents and educators is key to supporting your child's growth and success. During the Parents' Evening, you will have the chance to:

- 1) Meet with your child's form tutor to gain an insight into their academic progress and achievements**
- 2) Discuss any areas where your child may need additional support or enrichment.**
- 3) Receive feedback on your child's attitude, behaviour, and participation in school activities**
- 4) Learn about the curriculum and educational goals for Year 7.**

To ensure a smooth and productive evening, your child will make the appointment with their form tutor in advance of the date. Your child's time will be written down in their planner and you will receive confirmation of this through an automated text service.

We understand that not all families are available on the designated date and time. If you are unable to attend, please contact your child's form tutor to arrange an alternative time.

We encourage you to involve your child in the discussion about their progress and well-being, as their active participation in their education is invaluable.

We look forward to seeing you on 5 October and fostering a strong partnership between home and school. Your involvement and support are essential to your child's academic and personal development.

If you have any questions or require further information, please do not hesitate to contact the academy directly on **01274 567281**.

Thank you for your continued support, and we look forward to meeting you on Thursday 5 October.

Yours faithfully

Fran Hitch
Principal
