Dear families

**615 Bus Service - Update**

Following my communication yesterday, West Yorkshire Combined Authority have informed us today that despite their efforts, unfortunately they have not been able to find an operator to run the service until Monday next week.

First Bus are looking to reinstate their service next week. In the event the 615-service operated by First Bus is not operational on Monday, a temporary service will run with a different operator. This service would start at Four Lane Ends and follow the same route as the 615. This service would be called the **DC1** service. Once we have confirmation of the bus timings I will provide a further update.

Yours faithfully
