Determination | Integrity | Trust

This site will provide you with all your work and resources during the academy closure. During these unprecedented times we know that all students of Dixons Cottingley will demonstrate our values and will show true determination, integrity and trust completing all tasks set by staff. Over the coming weeks we will be looking to increase the resources available to you to ensure you achieve the best possible outcomes.

Below are links which take you to the files available for each year group. In addition there are plans which tell you how much work you should be completing each week for each subject.

Please find attached any updates from Dixons Academies Trust in relation to Covid - 19

Use the following links to access the work plans so you can see what work you need to complete during the academy closure.

Last updated: 19 March 2020

All schools in England are closed for most children from Monday 23 March 2020. We remain open for the children of key workers and children in other identified groups.

If you are a key worker who requires your child to attend school, please respond to the text that you have received. The list of qualifying occupations can be found on the gov.uk website.

We will be contacting other identified groups individually.

For the past few weeks, our staff have been planning arrangements for distance learning for all children. Please ensure that your child accesses these materials and continues to focus on their learning.

Use the following links to access the work plans so you can see what work you need to complete during the academy closure.
