

6 September 2022

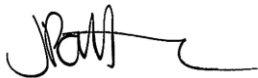

Dear families

Road Works – Bradford Road / Cottingley New Road / Cottingley Moor Road

I am writing to inform you that we have been made aware that from 8 September - 14 September 2022, Northern Powergrid will be undertaking roadworks close to the academy and traffic lights will be in operation. The roadworks which are planned, will be on Bradford Old Road / Cottingley New Road before the roundabout leading to Cottingley Moor Road. We are aware this may cause some delays to traffic in the morning and after school and we are advising families to ensure you plan your journey accordingly.

Thank you in advance for your support.

Yours faithfully

Jason Patterson

Principal
