Dear Parent/Carer

**Year 7 and Year 9 Cycle Assessments**

Your child is due to sit their cycle examinations between Monday 30 January and Friday 3 February. These assessments are an important step in preparing your child academically for GCSE examinations when they reach Year 11 and to also identify your child's current academic ability.

Attached to this letter is a copy of the examination timetable which shows you when your child will be sitting their examinations.

I would like to opportunity ask you to support your child by having a conversation regarding the importance of these examinations and providing a quiet space at home for your child to revise and prepare.

If you have any questions please do not hesitate to contact the academy and ask to speak to your child's Director of Curriculum Phase or Assistant Director of Curriculum Phase.

Yours sincerely

Jason Patterson

**Principal**
