Dear Parent/Carer

Year 8 and Year 10 Cycle Assessments

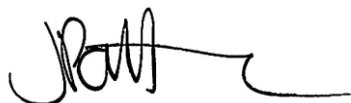

Your child was due to sit their first cycle examinations over the next week, however, due to the cyber incident before Christmas we have moved these back one week to allow more time to prepare and these will now take place between Friday 13 January and Friday 20 January. These assessments are an important step in preparing your child academically for GCSE examinations when they reach Year 11 and to also identify your child's current academic ability.

Attached to this letter is a copy of the examination timetable. which shows you when your child will be sitting their examinations.

I would like to take this opportunity to ask you to support your child by having a conversation regarding the importance of these examinations and provide a quiet space at home for your child to revise and prepare.

If you have any questions please do not hesitate to contact the academy and ask to speak to your child's Director of Curriculum Phase or Assistant Director of Curriculum Phase.

Yours sincerely

Jason Patterson
Principal
